"Nous sommes un couple avec 3 enfants et avons profité de ce logement durant les vacances de la Toussaint. Nous avons été très bien accueilli par Michelle qui est pleines d'attentions pour les personnes qu'elle accueille. L'appartement était très propre et très fonctionnel. Nous n'avons manqué de rien. La terrasse sur les toits est magnifique. La plage est à moins de deux minutes à pieds. Estartit m'a réconcilié avec la côte est espagnole, en effet la ville est développée mais sans grosses infrastructures; et la vue sur les îles Medes est juste merveilleuse." **Magdalena's private feedback for you:** "Thank you a lot for your hospitality. Description good read: Aircon, heating, Internet date used over 10 GB, bath towels, tourist tax, final cleaning costs additionally. Schedule in the budget. Michelle is very welcoming and always available. Everything is well organized. We recommend. Thanks Michelle, everything went very well. Maybe you could fix the shower. We did not get warm water. "Good location, nice pool, clean and proper, Little weak wifi ..." **Omega 2 bed**, K. Skulbru, Norway, June 2019,

"Accommodation for fans of a quiet family holiday away from noisy discos. The apartment is on the second floor of a small three-story house in a quiet area near the almost deserted sandy beach. To the beach just 5 minutes. Nearby there is a small supermarket - 5 minutes from the house. If you go to the village along the beach - 10-15 minutes walk along the sea - there is a bigger supermarket and restaurants. The apartment itself is a very cozy apartment with a good design in a maritime style, where you can have a wonderful rest with a big family. Many pleasant and beautiful details in the interior, comfortable living room with two sofas for relaxing. Good internet, there is a TV, which we did not even turn on, because near beautiful nature, the cleanest sea. And this is better than any TV. Two bedrooms and comfortable beds. Two bathrooms. The kitchen is small, but for cooking breakfast and light snacks are ample. Comfortable dining room for 4 people, large balcony with table and chairs. There is a washing machine for quick washing. Miss Michelle is a wonderful person, always ready to help and give useful advice. The apartment has a folder with useful information about how interesting and well to rest, what to visit, what excursions can be ordered. We sailed on a pirate sailboat along the coast and with a visit to the sea caves. Nearby there is Torroella de Montgri - a wonderful village with the ruins of a fortress, old houses. Thank you Michelle for a wonderful week in her house!" **Osona**, Olena, Ukraine, June 2019 via Airbnb
